All right it's going down like this right here  
You push you pay  
Know-what-im-sayin, everything counts, the trips you  
pay double,  
Keep your back straight and count them out loud

Come on, come on, 50 in the clip get big get big, 50 in  
the clip get big get big, 50 in the clip get big get big,  
On the Palms, on the fingertips, on the wrists, on the  
fists (it's elo for push-ups), 50 in the clip get big get  
big, 50 in the clip get big get big, 50 in the clip get big  
get big  
On the palms, on the fingertips, on the wood, on the  
bricks

Jumping ropes, doing gigs, basic drills with the stick,  
50 push-up in the clip on fists and wrists  
Getting swollen on the block, lifting weights at the gym  
Take the kids to the park do some techniques with  
them, throw that hood Work that cross, stick your  
moves tap that jaw  
Tiger claw lion paw, iron pawn can't be solved  
Life is hard on the block, put your heart on the spot  
You gon' ride or your not?  
Brawn first, get the drop (it's elo for push-ups)

Pay me, that's head crack boy, that fever ain't got  
nottin on that  
Stay away from the corners, 'n trace your burner, you  
heard me?  
Getting big with the click, keep it tight like a fist  
Everybody hit the deck nigga four, five, six  
Add it up, hit the block, no shirt tatted up,  
Skinny niggas getting guts, sisters too, get the needs  
of fight no girl Push-ups RBGs 50-50 let me see wot you  
got,  
Nigga don't just watch me do it with me, you can do it  
through your breath  
From your gut not your chest, push 'em out make 'em  
count go all-out, Count them out nigga

Four, five, six, look at that boy  
Go together just like Red Black and Green boy  
You lookin at Fred, Huey, and George right there  
Word up, time to pay up, put your muscle where your  
mouth is, get big, count 'em out
