It's all love . . .

I don't eat no meat, no dairy, no sweets
Only ripe vegetables, fresh fruit and whole wheat
I'm from the old school, my household smell like soul
food, bro
Curried falafel, barbecued tofu
No fish though, no candy bars, no cigarettes
Only ganja and fresh-squeezed juice from oranges
Exercising daily to stay healthy
And I rarely drink water out the tap, cause it's filthy

Lentil soup is mental fruit
And ginger root is good for the yout'
Fresh veg-e-table with the mayatl stew
Sweet yam fries with the green calaloo
Careful how you season and prepare your foods
Cause you don't wanna lose vitamins and miner-ules
And that's the jewel
Life brings life, it's valuable, so I eat what comes
From the ground, it's natural
Let your food be your medicine (uh huh)
No excederin (uh uh)
Strictly herb, generate in the sun, cause I got melanin
And drink water, eight glasses a day
Cause that's what they say

They say you are what you eat, so I strive to be healthy
My goal in life is not to be rich or wealthy
Cause true wealth comes from good health, and wise
ways
We got to start taking better care of ourselves

They say you are what you eat, so I strive to be healthy
My goal in life is not to be rich or wealthy
Cause true wealth comes from good health, and wise
ways
We got to start taking better care of ourselves, be
Healthy y'all . . .

Yeah, yeah, yeah, hold the fuck up, yo

We'll take this little intermission, listen what the
Fuck we gotta say, y'know?
Word is bond son, niggaz been livin fat for too long,
knowamsayin?
Smokin bogeys, fuckin drinkin all types of shit
Wailin out, not givin a fuck what they puttin in they
Bodies, son, knowamsayin?

knowamsayin?
That shit is fuckin, makin us deteriorate, son
Word up, we gotta care bout our little babies an shit,

Niggaz got kids to raise, straight up
Ya gotta start learnin yo self, learning bout ya health,

Learnin this world we live in, kid, knowamsayin?

So I'm gonna leave y'all niggaz on some shit like that,
