I have been, I have been
EVERBURNING IN IMPERFECT LIGHT,
Fleeing to EVERNIGHT

Loss of breath
But gaining perfect sight,
Fleeing to EVERNIGHT

I've been speaking in silence
I've been tasting the screams,
I've been beautiful violence
In a beautiful scene,
I've been offering Violets
In the middle of dreams,
Alleviating the final fear
I've been called to redeem

EVERBURNING IN IMPERFECT LIGHT,
Fleeing to EVERNIGHT

Loss of breath
But gaining perfect sight,
Walking through EVERNIGHT

I've been watching you turning
I've been hearing you call,
You've grown tired of burning
Tired of feeling at all,
Been admiring the lashes
In your beautiful skin,
I've been hearing your begging
For cleansing, for cleansing

Ohhhh

I've been speaking in silence
I've been tasting the screams,
I've been beautiful violence
In a beautiful scene,
I've been called to redeem
I've been called to redeem,
I've been called to redeem

I've been called to redeem

EVERBURNING IN IMPERFECT LIGHT,
Fleeing to EVERNIGHT

Loss of breath
But gaining perfect sight,
Fleeing to EVERNIGHT
