I was down my dreams were wearing thin  
When you're lost, where do you begin  
My heart always seemed to drift from day to day  
Looking for the love that never came my way

Then you smiled and I reached out to you  
I could tell you were lonely too  
One look then it all began for you and me  
The moment that we touched, I knew that there would  
be

Two less lonely people in the world  
And it's gonna be fine  
Out of all the people in the world  
I just can't believe you're mine  
In my life where everything was wrong  
Something finally went right  
Now there's two less lonely people  
In the world tonight

Just to think what I might have missed  
Looking back how did I exist  
I dreamed, still I never thought I'd come this far  
But miracles come true, I know 'cause here we are

Two less lonely people in the world  
And it's gonna be fine  
Out of all the people in the world  
I just can't believe you're mine  
In my life where everything was wrong  
Something finally went right  
Now there's two less lonely people  
Two less lonely people  
Two less lonely people in the world

Two less lonely people in the world  
And it's gonna be fine  
Out of all the people in the world  
I just can't believe you're mine  
In my life where everything was wrong  
Something finally went right  
Now there's two less lonely people

In the world tonight
