All right its goin' down like this right here

You push you pay

Know what I'm sayin'? Everythin' counts, the trips you
pay double

Keep your back straight and count them out loud

Come on, come on

Fifty in the clip get big get big

Fifty in the clip get big get big

Fifty in the clip get big get big

On the palms

On the fingertips

On the wrists

On the fists

Fifty in the clip get big get big

Fifty in the clip get big get big

Fifty in the clip get big get big

On the palms

On the fingertips

On the wood

On the bricks

Jumpin ropes, doin' gigs, basic drills with the stick

Fifty push-ups in the clip on the fists and the wrists

Gettin' swollen on the block, liftin' weights at the gym

Take the kids to the park do some techniques with
them

Throw that hood, work that cross, stick your moves, tap
that jaw

Tiger claw, lion paw, iron pawn can't be solved

Life is hard on the block, put your heart on the spot

You gon' ride or your not?

Brawn first, get the drop

Pay me

That's head crack boy

That fever got nottin' on that

Stay away from the corners

?N trace your burner, you heard me?

Gettin' big with the click, keep it tight like a fist

Everybody hit the deck nigga four, five, six
Add it up, hit the block, no search add it up
Skinny niggas gettin' guts, sisters too, get the needs of
fight no girl Push-ups R.B.G's fifty-fifty let me see what
you got
Nigga don't just watch me do it with me
You can do it through your breath from your gut not
your chest
Push 'em out make them count go all-out count them
out nigga

Four, five, six, look at that boy
Go together just like red black and green boy
You lookin' at Fred, Huey, and George right there
Word up, time to pay up
Put your muscle where your mouth is, get big count
them out
