[Hook]

I just wanna time travel, to know what I don't know  
I just wanna time travel, to know what I don't know  
See what I wanna see, feel what I wanna feel  
Be what I wanna be, I tell 'em what's right and  
what's real  
See what I wanna see, feel what I wanna feel  
Be what I wanna be, I tell 'em what's right and  
what's real

[Verse 1]

I'm Zen'd up and I'm zoned out  
Tapped in to my own route  
Wake up in the morning, throw my sneakers on  
Hit the streets and go all out  
Beat the concrete, magic carpet  
Through the neighborhood, through the project  
Getting them hours and pass the college  
No withdrawals without deposits  
Feel that wind on my face, I'm Tommy Smith in '68  
Fixed up, touch the sky, feels great, natural high  
Sweat dripping down the block, healthy life, I'm out  
the box  
When I run I'm in bliss baby, feel so good I don't wanna  
stop  
Free my lungs of that marijuana,  
Get my burn like a marathoner, Sunday hotter than  
Arizona  
Time travel anywhere I wanna  
I'm a long distance runner

[Hook]

I just wanna time travel, to know what I don't know  
I just wanna time travel, to know what I don't know  
See what I wanna see, feel what I wanna feel  
Be what I wanna be, I tell 'em what's right and  
what's real  
See what I wanna see, feel what I wanna feel  
Be what I wanna be, I tell 'em what's right and  
what's real

[Verse 2]

All seeing, all knowing, so free and mind blowing  
Omnipotent, magnificent, liberated, feel mad different  
We all talented, all gifted, tap into this raw spirit, it's  
unlimited  
So call it a vivid suspension, expansion another  
dimension  
Free from the box that we're trapped in  
We bout to blast off, are you strapped in?  
T minus and counting, imagine the ocean, the deserts,  
the glaciers, the clouds and the mountains  
See what I wanna see, feel what I wanna feel  
Be what I wanna be, to know whatâ€™s right and  
whatâ€™s real  
Invincible, unshakeable, earth quaking but unbreakable  
Unstoppable, don't stop until thereâ€™s no rock a few,  
now I got the joke  
I come from the jungle, I drink from the fountain  
I looked and I found this, as innocent Roberts  
who died and backed out to the big bang  
15â€™s of guap, we doing big things  
Until the fat lady sang

[Hook]

I just wanna time travel, to know what I don't know  
I just wanna time travel, to know what I don't know  
See what I wanna see, feel what I wanna feel  
Be what I wanna be, I tell â€™em whatâ€™s right and  
whatâ€™s real  
See what I wanna see, feel what I wanna feel  
Be what I wanna be, I tell â€™em whatâ€™s right and  
whatâ€™s real

[Interlude]

I'm Zen'd up and I'm zoned out zoned out zoned out.  
I tell â€™em whatâ€™s right and whatâ€™s real  
I'm Zen'd up and I'm zoned out zoned out zoned out.  
I tell â€™em what.  
I tell â€™em whatâ€™s right and whatâ€™s real  
I'm Zen'd up and I'm zoned out zoned out zoned out.  
I just wanna time travel, to know what I don't know  
I'm Zen'd up and I'm zoned out zoned out zoned out.  
I just wanna time travel, to know what I don't know

[Verse 3]

Still evolving, adapting, changing  
Time is moving, letâ€™s embrace it  
Past conditions, forward motion  
Prohibition, the way itâ€™s open  
Ancient wisdom, the tribe has spoken  
Let the circle be unbroken

Eye of Horus, wake the Buddha  
Mayan calendar " see the future  
Higher consciousness, revolution  
Evolution, the better humans  
God particles, spirit molecules  
Science turned, so what? These already knew  
Hieroglyphics, ancient temples  
Know our self, infinite potential  
Boundless options beyond the doctrines  
We are the universe, break your boxes  
Let's go

[Hook]

I just wanna time travel, to know what I don't know  
I just wanna time travel, to know what I don't know  
See what I wanna see, feel what I wanna feel  
Be what I wanna be, I tell 'em what's right and  
what's real  
See what I wanna see, feel what I wanna feel  
Be what I wanna be, I tell 'em what's right and  
what's real

I'm Zen'd up and I'm zoned out zoned out zoned out
