(Stock / Aitken / Waterman)

Inspiration is our love  
We never seem to lose control  
When other people fall apart  
our love just seems to grow and grow

People ask me  
why I always wear a smile  
They don't seem to understand  
He keeps me happy  
every day of my life  
I'll never love another man

Our love is better  
better than ever  
and it keeps on growing stronger every day  
It's just how it feels  
when you're head over heels  
I'll never let you go

Other people are so jealous  
They'd like to see us fall apart  
But we are stronger, so much stronger  
'cause love's delivered only from the heart

And he'd call me  
if I'm ever on my own  
because he knows it means a lot to me  
He's understanding  
if I need to be alone  
That's why I'll never set him free

Our love is better  
better than ever  
and it keeps on growing stronger every day  
It's just how it feels  
when you're head over heels  
I'll never let you go

People ask me

why I always wear a smile  
They don't seem to understand  
He keeps me happy  
every day of my life  
I'll never love another man

Our love is better  
better than ever  
and it keeps on growing stronger every day  
It's just how it feels  
when you're head over heels  
I'll never let you go
