I've got to do the right thing  
There's a job to be done  
I'll have to lose the inhibition  
'Til I feel the battle's won  
I've been denying the feelings inside me  
That held me back for so long  
How can emotion as pure as a heartbeat  
Be thought of as wrong  
(Chorus)  
No, I can't help the way that I feel (woh-woh)  
I'm so in love with you  
Can't help the way that I feel  
And I won't give up (and I won't give up)  
'Til I make you mine  
I'm gonna let the world know  
What's been locked away inside me  
I'm gonna make my own decision  
To let my feelings guide me  
I'm gonna stand up for what I believe in  
'Cos I know I'm not wrong  
I can't believe that it's taken me so long  
Now I'm gonna be strong  
Repeat Chorus (2x)  
Can't help, can't help  
And I won't give up  
And I won't give up  
Can't help, and I won't give up  
And I won't give up  
Can't help, can't help  
I've been denying the feelings inside me  
That held me back for so long  
How can emotion as pure as a heartbeat  
Be thought of as wrong  
Repeat Chorus to fade
