(Gamble-Huff)

(People all over the world) think about it
(join hands) come on join
(let's start a love train, love train)

The first stop that we make will be England
tell all the folks in Russia and China too,
don't you know that it's time to get on board

and let this train, riding, riding on through

All of your brothers over in Africa
Tell all the folks in Egypt and Israel too
please don't miss this train at the station
because if you miss it, I feel sorry, sorry for you

(People all over the world) think about it
(join hands) come on join
(let's start a love train, love train)
