no moon on the water
the way i'm acting it's no wonder
the blues come
i can't outrun 'em
i ain't foolin' me
i ain't foolin' no one
i have to work hard to suffer alone
i have to work harder to be so alone
don't like half of who i've been
but i've kept my promises to all of them
tie my wings behind my back
cut out my eyes and fill 'em with lead
cut off my head and put the black mules there
trade my heart for a fire
fill my bones with the grey wolf
face me to the shore
give me one reason to live
give me one single reason to live
don't have to be good (x3)
