oh to find you this autumn
autumn strays into evening
now is Sept. 17
and i should have know(x2)
you'll pardon me if i don't beleive
what a fine day to believe(x2)
what if i don't believe
never thought they could find me and
i never thought they would find me here
unlucky days unlucky strays
did i say unlucky
i just meant unhappy
i should have know and
i should have know
if you'll pardon me if i don't beleive
what a fine day to believe(x2)
what if i don't believe
