deny the eagle the right to be weary  
though she bears your nation a breast  
thrush cries, thrush here  
the cardinal mistrusts me  
divides the grey sky with fire roads to ride  
hey, with fire roads to ride(x2)  
come the son again to my singing  
they never thought of  
the power they'd be bringing  
helpmates e'er they  
the boy and the son  
hey, the boy and the son  
thrush cries, thrush here  
oh the cardinal mistrusts me  
divide the grey sky with fire roads to ride(x2)
