

## Sonic Boom Six "Different People"

Visit "[Different People](#)" on MotoLyrics.com

Why would anybody want to listen to music that makes  
you hate  
When you can listen to music that makes you love?

You Scally  
You Weirdo  
You Townie  
You Hippy  
You Raver  
You Crustie  
You Chavvy  
You Freak  
Originality and individuality share  
Your personality is not the clothes you wear

To be or not to be  
Different People all look the same to me

If he's a hippy why his hair blue?  
If she's a scally what it make you?  
You stick a label anything you don't understand  
Your personality is not your favourite band

Choose an identity  
Tribal mentality  
To be or not to be  
Different People all look the same to me

[Sample]  
We're different, You better get used to that  
I mean we don't just look different, we are different  
There ain't no tomorrow, only yesterday's pain

Choose an identity  
Tribal mentality  
To be or not to be  
Different People all look the same to me  
They look the same to, they look the same to me  
They look the same

She's a Marilyn Manson  
She's a Marilyn Manson fan
