Love is
Taking it's own sweet time
I get
A little impatient sometimes

But the blue sky's up above
White clouds sail away
And hey what's not to love
About today

I'm a
A cat in the sun
I'm gonna wait right here
I'm in no hurry
Love's gonna come
When it's good and ready
I'm not worried
A cat in the sun

My friends
Want me to go their way
Maybe
Tomorrow but no today

There's a bright sun shinin' down
Good things on the way
And hey what's not to love
'Bout catchin' rays

I'm a
A cat in the sun
I'm gonna wait right here
I'm in no hurry
Love's gonna come
When it's good and ready
I'm not worried
A cat in the sun
A cat in the sun

I'm not worried
Love's gonna come my way

I'm in no hurry
Not today
No, no

But the blue sky's up above
White clouds sail away
And hey what's not to love
About today

I'm a
A cat in the sun
I'm gonna wait right here
I'm in no hurry
Love's gonna come
When it's good and ready
I'm not worried
A cat in the sun
A cat in the sun
