Well, I don't show off, don't criticize
I'm just livin' by my own feelings
And I won't give in, won't compromise
I just only have a steadfast heart of gold

I don't know why, I can't leave though it might be tough
But I ain't out of control, just livin' by my word
Don't ask me why, I don't need a reason
I got my way, my own way

It doesn't matter now what happens I will never give up
the fight
There is no way I will run away from all of my frights
Long as the voice inside me say go, I will always keep
on running
There is no way to stop me from going to the very top
It doesn't matter who is wrong and who is right

Well, I won't look back, I don't need to
Time won't wait and I got so much to do

Where do I stop, it's all a blur and so unclear
Well, I don't know but I can't be wrong

It doesn't matter now what happens I will never give up
the fight
There is no way I will run away from all of my frights
Long as the voice inside me say go, I will always keep
on running
There is no way to stop me from going to the very top
It doesn't matter who is wrong and who is right

It doesn't matter now what happens I will never give up
the fight
There is no way I will run away from all of my frights
Long as the voice inside me say go, I will always keep
on running
There is no way to stop me from going to the very top
It doesn't matter who is wrong and who is right
