i never said that i was folding inside
never said that there was nothing that was true
there was you
never knew that there was always someone
never said that it was all done just for you
there was two
i've been waiting
i've been waiting
for the day when i found you
i guess my head's screwed wrong, don't know where i
belong
i guess my hair's too long, don't know where i belong
and i keep on asking, keep on, keep on holding on
i never said that i was holding tears back
never said i was holding you
where were you
i've been waiting

i've been waiting
for the day when i found you
i guess my head's screwed wrong, don't know where i
belong
i guess my hair's too long, don't know where i belong
and i keep on asking, keep on, keep on holding on
and i found you
i guess my head's screwed wrong, don't know where i
belong
i guess my hair's too long, don't know where i belong
and i keep on asking, yeah
i guess my head's screwed wrong, don't know where i
belong
i guess my hair's too long, don't know where i belong
i've been waiting
i've been waiting
