"I Feel Great"

I woke up today
Just like yesterday
With no particular mood
Looking to the sky
Saw the sun
Who am I kidding now?

I feel bad
I feel sad
I feel great
I feel fine
I feel great

I went back to bed
No I'm not
'Cause I'm not
I'm not ok
It's a way that things are passing by
I can't remember the day
When my heart was broken down in parts

I feel great
I feel fine
I feel great
I feel fine

I just want to have fun
Once again I will dance
But in a way I feel bad
The other day I lost control
I want your love
Your love after dark
Walk by my side
My side hand by hand

I want your soul, your soul
Sliced up like my heart
I'll break your heart, your heart
Just like you broke mine

I feel great
I feel fine

I feel great
I feel fine
I feel great
I feel fine
I feel great
