Oh! Yeah, yes

It is time for a love sensation,
To feed the minds of the younger generation
What we never had, what we missed out on
Don't be afraid to admit it has gone slightly wrong
It is time to release the tension, for the lack of
communication
Time to get it right, it shouldn't take too long
Make them feel, like they belong

Are you ready?
To be part of the solution
Are you ready?
Step forward into time
Are you ready?
To make your contribution
Are you ready?
If you ain't it is a crime, yeah

Ohh yeah
Shattered dreams are a regular occurrence
Killin' a man doesn't even disturb us
Insecurity, spread across the land
I can't help but wonder, how long can this go on?
Go on, go on, go on I can't understand, ohh

Time has come for us to get it straight now
I understand what it is it just can't wait no more no
'Cos it's time to get real, yes
Tell me how you feeling

Are you ready? Ohh yeah
To be part of the solution
Are you ready?
Step forward into time
Are you ready?
To make your contribution
Are you ready?
If you ain't it is a crime, yeah

Ready or not

Ready or not
Ready or not
We're coming
Ready or not
Ready or not
Ready or not
We're coming

Ready or not
Ready or not
Ready or not
We're coming
Ready or not
Ready or not
Ready or not
We're coming

Are you ready?
To be part of the solution
Are you ready?
Step forward into time
Are you ready?
To make your contribution
Are you ready?
If you ain't it is a crime, yeah

Are you ready?
To be part of the solution
Are you ready?
Step forward into time
Are you ready?
To make your contribution
Are you ready?
If you ain't it is a crime, yeah

Are you ready?
To be part of the solution
Are you ready?
Step forward into time
Are you ready?
To make your contribution
Are you ready?
If you ain't it is a crime, yeah

Are you ready?
To be part of the solution
Are you ready?
Step forward into time
Are you ready?
To make your contribution
Are you ready?
