You always make me smile when I'm feeling down
You give me such a vibe, I is totally bona fide, mmm
It's not the way you walk and it ain't the way you talk
It ain't the job you got, that keeps me satisfied

Your love it feels so good and that what takes me high
Higher than I've been before and your love, it keeps me
alive
Thought I should let you know, that your touch it means
so much
When I'm alone at night, it's you I'm always thinking of,
ooh ooh baby

Oh, won't you understand
How I feel yeah deep inside
Uh huh, you made feel all I need to feel
Yes, in my heart

Your love it feels so good and that what takes me high
Higher than I've been before and your love, it keeps me
alive
Thought I should let you know, that your touch it means
so much
When I'm alone at night, it's you I'm always thinking of,
ooh ooh baby
