So many words are spoken
But nothin', seems to get through to you
So many hungry people are dyin'
So what are we gonna do?
What are we gonna do? Think about it, yeah
What are we gonna do about it?
Hear the voices, hear them callin'
Callin' out to you

I wanna live on a happier planet
Where a guilty conscience is a normal thing
I wanna live on a happier planet
Where I'm respected for the love I give

Oh yes, ah ha
So don't you hear my cry?
I'm callin' out to, I'm callin' out to you
Oh yeah, ah ha
Don't you hear my cry?

Sadness sweepin' over the world
Can't you feel it?
And why is it so hard for us to love?
And so easy to hate

I wanna live on a happier planet
Where judgment's not by color of skin
And I wanna live on a happier planet
Where I'm respected for the love I give

Oh yes, ah ha
So don't you hear my cry?
I'm callin' out to, callin' out to you
Oh yeah, ah ha
Don't you hear my cry?

Oh yes, ah ha
Don't you hear my cry?
I'm callin' out to, I'm callin' out to you
Oh yeah, oh yeah alright
So don't you hear my cry?

Traveled all around the earth
Searching for a love, it's hard to find
So hard to find
I go home switch on my TV
All I see is pain, and there's no gain
When will it end?
Take it from me, my heart is yearnin'
How long can this carry on? Ohh
Seeking the source of my inspiration
To set my spirit free

Don't you hear my cry?
I'm callin' out to, callin' out to you
Oh yes, ah ha
Don't you hear my cry? Ooo
Oh yeah, ah ha
I want you hear my cry?
Callin' out to, callin' out to you
Oh yeah, alright, oh yes
So won't you hear my cry?
Oh yes, ah ha
So don't you hear my cry?
Callin' out to, I'm callin' out to you
Oh yes, ah ha
So don't you hear my cry?
Callin' out to, I'm callin' out to you
Oh yes, ah ha
Don't you hear my cry?
Callin' out to, I'm callin' out to you
