For the longest time  
I searched high above the sky  
To find the one for me  
Sweet birds got in my limbs  
And told me it was purely destiny  
A few clouds came my way  
And suddenly came the break of day  
And it was you, only you  
Then I gave my love to you

(And I gave my love to you)  
And I gave my love to you  
(And my rivers flow)  
And my rivers, my sweet rivers flow for you  
(Please don't tear my heart)  
Please don't tear my heart into two  
As I give my love to you  
As I open wide for you

Sailing cautiously without knowing  
That my reality will soon come  
Strong winds brought me from my high  
I drifted gradually from my ride  
Touching down, kissing ground  
It's you that I look for  
Let's be two, my baby  
As I give my love to you

(And I gave my love to you)  
And I gave my love to you  
(And my rivers flow)  
And my rivers, sweet rivers  
They flow for only you  
(Please don't tear my heart)  
Please don't tear my heart into two  
As I give my love to you  
As I give my love

Tender lover, blow your cover  
Release emotions, for there's no other, but us two  
Give it to me, and I'll, I'll give it to you, mmm  
Discover trust in my sweet caress

Female sunshine and nothing less  
Just the touch of my hand  
And infinite want for my man  
Yeah, gonna make you mine  
Yeah, until the end of time  
Mmm, 'cause I'm open wide with so little to do  
Simply put, I live my life for you  
Give it to me, and I'll give my love to you

(And I gave my love to you)  
And I gave my love to you  
(And my rivers flow)  
My rivers flow for only you  
(Please don't tear my heart)  
Please, please don't tear my heart into two  
As I give my love to you  
As I open wide for you

(And I gave my love to you)  
And I gave my love to you  
(And my rivers flow)  
And my rivers, sweet rivers  
They flow for only you  
(Please don't tear my heart)  
Please don't tear my heart into two  
Yeah, as I gave my love to you  
Yeah, as I gave my love

And I gave my love to you  
And my rivers flow for you  
Please don't tear my heart in two  
As I gave my love to you  
(Yeah, and I gave my love to you)  
(Yeah, and I gave my love)
