Baby did you hear about the bad luck, the bad luck that
happened just about six months ago?
Now did you hear about the bad luck, the bad luck that
happened just about six months ago?
Now my cousin Marvin got shot down, just as he was
walkin' out the do'

Now and he said please mister, said please don't shoot
me no mo'
Now and he said please mister, said please don't shoot
me no mo'
He said because my breath is gettin' short, and my
heart is beatin' awful slow

And Marvin say I know I got some friends, I want
somebody to go and get my mother for me
Marvin say I know I got some friends, I want somebody
to go and get my mother for me
Say maybe she can help me with my trouble, people I'm
in so much misery

And he say I hate to go leave my mother and father, I
hate to go leave my cousin Sonny Boy insane
He say I hate to go leave my mother and father, say I
hate to go leave my cousin Sonny Boy insane
Now go tell 'em if they be good they'll come to see me,
people on Resurrection Day
