My baby thinks she a black panter  
She wanna climb up in her tree an jump down  
Now she wants cut my throat  
When ain't nobody else around

My baby thinks she's a black panter  
Now an she wants to rule me a while, yeah  
Now when she says something contrary  
Now she don't want me to do nothin' but smile

Last night in my bed I found a black panter  
Must-a been about forty-nine inches  
You could hear me holler  
Man, an I didn't have time to swaller

In my bed I found a black panter, mm  
Musta been about forty-nine inches long now  
Now an I went an got my shotgun 'n I started to kill 'er  
But I thought my baby's been doin' me wrong

(instrumental & harmonica)

Well, the panter think's she's a-rulin'  
Now because she always has her way  
Now but someday she gonna meet the lion  
She ain't 'on even have no place to stay

Now my b-baby thinks she's a black panter, mm  
Now an she wants to rule me awhile, yeah  
Now an when she says somethin' contrary

She don't want me to do nothin' but smile, yeah.
