(harmonica intro)

Well, I ack'd a sweet mama  
Just to let me a-be her kid  
She said, 'I might get boogered, Sonny  
An you couldn't a-keep it hidden'

Well, looked at me an she a'gain to smile  
She said, 'Now, I thought I could use you for my a-man  
a while  
Lord, if you just don't let my, Herman catch ya 'ere!  
Now, an if ya just don't let my, Herman catch you here'

Well, some said it was degrees  
Some said it wadn't, nothin' but disease  
But whatev'r it is  
A-slow achin's killin' people, a-by-n degree

I know that this slow-achin' something  
Murdering people by degrees  
You know it's a soberin' thought  
Killin' you by degree

(harmonica & instrumental)

Well, I went upstairs  
To pack my, a-leavin' trunk  
An I ain't never, a-drunk no whiskey  
Know the blues made me a-sloppy drunk

But I ain't never drunk no whiskey  
But that old, blue-ooos made me drunk  
I ain't never drunk no whiskey

Blue-ooos that made me drunk

Well, I got somethin' to tell ya, baby  
I want you to keep it, a-to yourself  
I don't want you even, a-tell Mr. So an So  
He doesn't wanna know nobody else

But I don't want you to tell any, baby  
Ple-eease tell nobody else  
I don't want you even warnin' yo' baby  
Tell nobody else.
