Lord, I would love to be yo' iceman  
But I would like to be yo' coalman, too now  
I said, I would love to be yo' iceman  
But then, an I would wanna be yo' coalman, too  
Now, an you wouldn't be tellin' yo' coalman  
You know, what yo' iceman, can do now

I'm goin' to give you my phone number  
So you can call Sonny Boy up, ev'ryday  
I'm goin' to give you my phone number  
So you can call Sonny Boy up, ev'ryday now  
Now you need an ice or coal?

You must let Sonny Boy know, right away now!

(harmonica & instrumental)

Now, an I b'lieve you need some ice  
Baby, yo' ice has done gotten old now  
I b'lieve you need some ice, yeah  
Baby, yo' ice had done gotten old  
Now an I won't disturb none-a-yo' people  
Babe, I'll ease it in through yo' back do' now

Now tell me what the matter wit' your basement?  
I don't b'lieve you use Sonny Boy's coal, no mo' now  
Oh, tell me what the matter wit your basement?  
I don't b'lieve you use Sonny Boy's coal, no mo' now  
Well, I always been nice to you  
I would bring it in through yo' back do'.
