Now, go get the night light
Somethin' gettin' wrong with my Fridgidaire
Go get the light, now
Somethin' gettin' wrong with my Fridgidaire
Well now, what's gettin' to matter with it?
It take God, you know in this world, to tell

Now, I just bought me a brand new Fridgidaire
And I bought me a kitchen set, too
Now, I bought me a brand new Fridgidaire
I brought me a kitchen set, too
Well, that I been lookin' 'round all over this town
I swear I want none of these women to move

Now, I have me coffee early in the mo'nin'
I want you to have me tea at night
I need coffee sweet, early in the mo'nin'
I want you to have me tea at night
Well 'n if I can't get my tea three times a day
Mama, look like me an you can't get along, right

Now, but that's alright, mama
I don't like the way you do
No, but that's alright, mama
Baby, I don't like the way you do
Well, but I been tryin' two or three days
Woman, you know just to get rid of you.
