Little girl, little girl  
I've got something I wan' say to you  
Little girl, little girl, now  
I've got something I wan' say to you  
Now, an it ain't none a your bad treatment  
I just wanna warn you about the a-way you do

You is just my little girl  
An I love to hold you in my arms  
You is just my little girl  
I'd like to hold you in my arms  
Now an if you think about me, baby  
I swear you can do nothin' wrong

Tell me, baby  
Baby, who can yo' little man be?  
Tell me, baby  
Baby, who can yo' little man be?  
Lord, I wouldn't keep on worryin' you  
But I want you dyin' an chained to me

Think about me when I'm gone  
Little girl, think about me in yo' sleep  
Think about me when I'm gone  
Little girl, think about me in yo' sleep  
Well now, think about how used to love me  
Little girl, nobody in this world but me

But that's alright  
Little girl, trouble ain't going to last always

Now, but that would be alright now  
Little girl, trouble ain't going to last always  
Well now, you can treat me like a dog  
But you'll be sorry you treated me this a-way

Fare you well  
Little girl, if I never see you any mo'  
Fare you well  
Little girl, if I never see you any mo', now  
Well, I said that I always love you  
And Sonny Boy, ain't givin' a care where you go, now.
