Now ever since, Louisa, been gone, my life don't seem
the same

Now ever since, Louisa, been gone, my life don't seem
the same

Now, you know it breaks my heart, an, to hear anybody
call, Miss Louisa, names

Now, Miss Louisa, mistreated me and she drove me
from her door

Now, that Miss Louisa, she mistreated me, Lord, and
she drove me from her door

Now, that will be alright with me, Louisa, you have got
to reap just what you sow

Now, Louisa, you know I haven't been, not the very best
that I could have

Now Louisa, you know I haven't been, not the very best
that I could have

Now then, if you don't treat me no better, Lord, I sure
do wish you would

Now but that will be alright, Louisa, you will come back
home some day

Now but that will be alright, Louisa, you will come back
home some day

Now, but I'm scared that when you get back, Louisa,
you ain't gonna have no place to stay
