Yeah, ain't that a pity, people ain't that a cryin' shame
Ain't that a pity, I declare it's a cryin' shame
She wait till it got nine below zero, and put me down for
another man
I give her all my money, all of my lovin' and everything
All of my money, all of my lovin' and everything
It done got nine below zero and she done put me down
for another man
Nine below zero, the little girl she done put me down
Nine below zero, the little girl she done put me down
She know I don't have nowhere to stay, and I don't have
not one dime
