Now, an my baby went out
And stayed out all night long
She never came home
Until the break of dawn

Well, come on, shake your boogie
Whoa, shake your boogie
Come on, shake your boogie
Because your boogie's alright with me

I'm goin' to buy me a dog
On a wired nose
I even kill a man
About my jellyroll

But come on, shake your boogie
Oh, shake your boogie
Come on an' shake your boogie
Because your boogie's alright with me

Oh, but look a here, baby
See what a you've done, done
You taken my money
You got me on the bum

Come on, shake your boogie
Whoa, shake your boogie
Come on and shake your boogie
Because your boogie's alright with me

You know me an my baby
Don't do nothin' but fuss an fight
I said, "Look a here, baby
Things ain't goin' on right"

But come on, shake your boogie
Oh, shake your boogie
Come on and shake your boogie
You know, your boogie's alright with me

I don't need no steam heatin'
By my bed

The little girl I got
Keep me, cherry red

Come on, shake your boogie
Whoa, shake your boogie
Come on and shake your boogie
Because your boogie's alright with me
