Now I don't want no, no skinny woman, I want the
woman, she got a-plenty of, Lord
I don't want no skinny woman, I want some, a woman
with a-plenty a-meat
Now, we can roll all night long, an' this woman, won't
have to stop 'n eat

Well I've got so, so many women, now an' I don't know
who I love
Yes Lord, I 've got me, so many women, til I'm, I really
don't know who I love
Now an' it seems like the girl I been cravin' for, slipped
away to the good Lord, up above

I have the blues, blues in the mo'nin, blues is the first
thing, when I lay down
An' Lord I have, the blues in the mo'nin, blues is the
first thing when I lay down at night
Now that's the reason my baby worries me, my baby
she don't treat me right

Now if you take me, take me back, baby, now an' I won't
do you mean no mo', oh Lord
If you just forgive me this time, I won't never do you
mean no mo'
Now that you been get all-a my labor, love n' you, just
let Mister So an' So, go

Now she is gone, she is gone but she'll fer'ever be on
my mind, oh Lord
I, she gone, she's gone, she'll for'ever be on my mind
Now she was a sweet little woman, she just, wouldn't be
lovin' n' kind
