(harmonica, mandolin & guitar intro)

Now, you's a whiskey-headed woman  
Now, an' you stay drunk all the time  
Now, you's a whiskey-headed woman  
Now, an' you stay drunk all the time  
Now, if you don't stop drinkin'  
Now, I believe you're goin' to lose yo' mind

Well now, ev'rytime I see  
You's at some whiskey joint  
'Yeah!'  
Standin' at the back do'  
Axkin' for another half-a-pint

'Cause you's a whiskey-headed woman  
Now, an' you stay drunk all the time  
Now if you don't stop drinkin'  
'What?'  
I believe you're goin' to go stone blind

Well now, an' I took you out the street, baby  
When you didn't have no place to stay  
You ain't actin', nothin' but a fool  
Doggin' me 'round this-a-way

'Cause you's a whiskey-headed woman  
Now, an' you stay drunk all the time  
Now, if you don't stop drinkin'  
I believe you goin' lose yo' mind

(harmonica, mandolin & guitar)

Well now, ev'rytime I meet ya, baby  
You walkin' up an' down the street  
'Yeah!'  
Grinin', ' laughin' an' talkin' with the most  
Ev'ry man you meet

'Cause you's a whiskey-headed woman  
Now, an' you stay drunk all the time

Now, an' if you don't stop drinkin'  
I believe you're goin' to lose your mind.
