(instrumental intro)

Well, I got somethin' to tell ya  
Baby, you can't do  
You can't love me  
And some other man, too

'Cause you's a old lady  
Know you's a old lady  
Now, you's a old lady  
Babe, an you don't know how you do

Well, I give you my money  
You left me cold in hand  
You're takin' my money  
An give it to your other man

But you's a old lady  
Know you's a old lady  
Know you's a old lady  
You don't know exactly how you do

'Well, sing it Maceo'

(harmonica & instrumental)

Now, you promised me a car  
You know, an a diamond ring  
You bought my clothes  
You couldn't understand

'Cause you was a old lady  
Know you was a old lady  
You was a old lady  
You didn't know exactly how do you do

You said, when you look at my face  
You love me mo' an mo'  
I could love you, too  
But I just won't tell you, so

'Cause you's a old lady  
'Cause you's a old lady  
Know you's a old lady  
And you don't know exactly how you do

(harmonica & instrumental)

Well, you put out my dress, I bought you  
You put off my stockin's, too  
You's so funny, I can no wonder  
You don't know exactly how to do

'Cause you's a old lady  
Know you's a old lady  
Know you's a old lady  
You don't know exactly how you do

(harmonica & instrumental)

Now, an I got some'in to tell ya  
Know soon, you 'llow me a-change  
I don't want you, find yourself another man

'Cause you's a old lady  
'Cause you's a old lady  
Know you's a old lady  
You don't know exactly how to do.
