Some folks stand right up and say a Christian don't
know much
They think they've got the answers, that we're out of
touch
But I wonder what they'll say when that mighty
trumpet sounds
We're gonna go flyin' right on by them standing on
the ground

And we're going fly, right on by
Headed for that New Jerusalem from the sky
Friends, don't wait til it's too late
Come on and book your flight
We're gonna fly right on by

Won't you come and join us, Jesus welcomes one and
all
Then you know you're ready when he comes to call
You'll find your name will not be blotted from that
Book of Life
On that day we're gathered up and fly, fly, fly

Well we're going fly, right on by
Headed for that New Jerusalem from the sky
Friends, don't wait til it's too late
Come on and book your flight
We're gonna fly right on by

Jesus loves a winner but he loves a loser too
Jesus loves a sinner cuz' he loves me and you
Still you must confess his name and be free of your
sins
If you want to go to heaven, you got to be born again

Cuz' we're going fly, right on by
Headed for that New Jerusalem from the sky
Friends, don't wait 'til it's too late
Come on and book your flight
We're gonna fly right on by
Yes, we're gonna fly right on by
