Tonight I've made the wish
That never comes true
Just seems to vanish in the end
It always dies before it begins to bloom

Obscurity it appears
Sorrowful behind a veil of tears
This wish with an untimely end
I'm bleeding again

I don't want this I am more than nothing
This heart serrated
I don't want this I am more than nothing
Tonight you're bleeding me
For now
You're bleeding me
For now
You're bleeding me
And this heart serrated

I've made the wish a poisoned kiss

It never came true into nothingness
As I pretend this trust I mend
Lying here bleeding again

I don't want this I am more than nothing
This heart serrated
I don't want this I am more than nothing
Tonight you're bleeding me
For now
You're bleeding me
For now
You're bleeding me
And this heart serrated
Bleeding me

I don't want this I am more than nothing
This heart serrated
Your sympathy
Your sympathy
My misery

I don't want this I am more than nothing
