(Verse 1)

Waxing poetic, white moley gloom.
The sea of pain consumes.
I made a decision, to get away.
Spread my wings and fly away.

(Bridge)

I'm feeling better than before.
Relieving just the head.
Don't wanna' deal with reality, today.
Yes, this'll work for a while,
As I bleed internally, must I bleed internally?

(Verse 2)

Put on my game face.
Head-forth a smile.
Stuff feeling's deep inside.
Wild dad detaches
Mom's in denial.
I sit alone as I watch my sister die

(Bridge)

I'm feeling better than before.
Relieving just the head.
Don't wanna' deal with reality, today.
Yes, this'll work for a while,
As I bleed internally, must I bleed internally?

(Verse 3)

I'm so addicted, to all this pain.
Only chaos remains.
And I feel that I have nothing to give.
Here I distil my will to live.

(Bridge)

I'm feeling better than before.
Relieving just the head.
Don't wanna' deal with reality, today.
Yes, this'll work for a while.
As I bleed internally, must I bleed internally?
