(Guitar)

(Verse 1)

All they ask of me...
What is this that I heard that you said
Talking trash again
It's all inside of my head

A conspiracy
A whisper so gently you let us forget
Take a look at me
It's all inside of my head(x3)

(Chorus)

We are the only ones
Who can decide
No one can tell you how it feels
Look deep inside
Look deep in...

(Verse 2)

Here it comes again
With a fear of things I untold(?)
Like a hurricane
There's a part of me
Looking beyond new breathe far away from reality
It's all inside of my head(x3)

(Chorus)

We are the only ones
Who can decide
No one can tell you how it feels
Look deep inside
Look in eyess

(Verse 3)

Alone and restless once again
Not to show what I came to say
But I cannot let it go away
You're
Bringing me down(x2)

That noise in my head is bringing me down
If u got nothing good to say
Turn around and walk away

Walk your way
WALK AWAY(scream)

(Guitar)

(Chorus)
We are the ONLY ones
Who can DECIDE
No one can tell you how it feels
Look deep inside
Look deep insideeee...
