Every page of my suicide script  
They all have a cross to bear  
Like a hammer to the teeth  
Answer my misguided prayer

Watch it kill you, watch it kill me  
My hypocrisy is so sincere  
Each dose of delusion  
Becomes a feeding frenzy

Carving this message into my skin  
Haunting me  
This isn't the way I want to live  
It's killing me  
It's killing me  
Carving this message into my skin  
With not one shit left to give  
I don't know if I'm gonna be  
It's killing me  
It's killing me to live

Killing myself again  
Killing myself again  
Killing myself again  
I'm killing myself to live  
Killing myself again  
Killing myself again  
Killing myself again  
I kill myself to live

Carving this message into my skin

Haunting me  
This isn't the way I want to live  
It's killing me  
It's killing me  
Carving this message into my skin  
With not one shit left to give  
I don't know if I'm gonna be  
It's killing me  
It's killing me to live

Killing myself again  
Killing myself to live  
Killing myself again  
Killing myself to live  
I'm killing  
I'm killing  
I'm killing  
I'm killing myself to live

Carving this message into my skin  
Haunting me  
This isn't the way I want to live  
It's killing me  
It's killing me  
Carving this message into my skin  
With not one shit left to give  
I don't know if I'm gonna be  
It's killing me  
It's killing me to live
