Here comes the night : Here comes the night
Here we go
Shes on a hidden "tableau" Tabloid
Just a 2-for-1
And the 2-for-1 is right
Down my alleyside
I'm just a wasting behind

Don't you know it's an easy thing
When it's lost
Doesn't show when the ends are frayedand it's
tossed out
Lined with silver thread
I've seen you wasted behind

She's so lackadaisical
Shoulda been a west coast bride
Back seat on electric glide
Pilots flying drive by fears
Don't hold your breath too long
Original -> "this tunnel is a texas mile"
Elijah -> it's time to lose your Texas mind....
"Callow teasing" Coward season - yellow eyes
"Bleacher dates the" Picture takes a second prize
Cherry pickin favorites
My dash was locked i guess i feel fine
The way this river it bends
Woman's bending over me

Here comes the night
& this is how the message ran.....
Please tell me why my life is so bland
& this is how the message ran.....
Please tell me why my life is so bland
& this is how the message ran.....
Please tell me why my life is so bland
Please tell me why my life is so bland
Tell me why my life is so bland.....{Pavement cover}
