I'm rockin out  
My rock is out  
Open wide

I'm rockin you  
My rock is in you  
Here it comes, here it comes

My rockload  
Is about to blow  
So let it flow  
Right down your throat

Tell all of the husbands  
Your wives are gonna cheat on you

I'm rockin out  
My rock is out  
Smile wide

I'm rockin you  
I'm up on top of you  
Here I come, here I come

My rockload  
Is about to blow  
So let it flow  
Right down your throat

Tell all of the husbands that your wives are gonna  
cheat on you  
With me, Ricky Butcher
