When the morning comes  
I find myself just missin' you  
Find myself just wishin'  
You were laying by my side

But as my day goes on  
I'm wonderin' if you're missing me  
Wonderin' if you're wishing  
We were laying side by side

Let me know if you  
Feel the way I do  
I get the message loud and clear  
Let yourself come home  
Forget the others bring it  
Here is where your love belongs  
Here is where your love belongs  
Here is where your love belongs

But when my evening comes  
I'm wishin' I was kissing you  
I'm fishin' for the words  
To lay on you to make it right  
Make it right  
Make it right, yeah

Let me know if you  
Feel the way I do  
I get a message loud and clear  
Let yourself come home  
Forget the others bring it  
Here is where your love belongs  
Here is where your love belongs  
Here is where your love belongs  
Here is where your love belongs
