Never knew love like this before
Now I'm lonely never more
Since you came into my life
You are my love like this I know
And I'll never let you go
You're my all, you're part of me
Once I was lost and now I'm bound
And you turn my world around
When in need, I call your name
Cause I never knew love like this before
Open my eyes
Cause I never knew love like this before
What a surprise
Cause I never knew love like this before
This feeling so deeply inside of me
Such a tender fantasy
You're the one I'm living for
You are my sunlight in my rain
And time could never change
What we share forevermore
