Nervous as a wreck
Wonderin what the heck I'm gonna do
Still gets to me just like before

I can't beleive he called or he remembered me at all
I was just the girl next door

When he moved away
I swore that I'd wait till he came back
Funny what a young heart will do
But I never lost faith
Now's he's gonna pick me up at eight
Is this really coming true?

Chorus:
Or Am I Dreaming? Dreaming?
Is he really here?
It's been so many years since I've seen him
This feelin's got me feelin'
Like I'm sweet 16
He's finally noticing me.
Or Am I Dreaming?

What am I gonna wear?
I gotta get my hair to look just right
What am I so worried for?
There must've been times
That I crossed his mind
Cause he's here knockin at my door

Or Am I Dreaming? Dreaming?
Is he really here?
It's been so many years since I've seen him
This feelin's got me feelin'
Like I'm sweet 16
He's finally noticing me.
Or Am I Dreaming?

He's been in my heart and in my soul
Now's he's in my arms and I am never letting go

Am I Dreaming? Dreaming?

Is he really here?
It's been so many years since I've seen him
This feelin's got me feelin'
Like I'm sweet 16
He's finally noticing me.
Or Am I Dreaming? Dreaming.
