(written by Rachel Proctor, Roy Hurd)

Days go by, they turn into years  
Time has a way of erasing the tears  
Pictures fade, words disappear  
Love comes and goes, but you're still here

The taste of goodbye is still on my lips  
My heart still longs for your tender kiss  
I hear your voice whisper my name  
It's been so long, but it still feels the same

Chorus:

(Oh) You haunt my heart just like a ghost  
No matter how far I run, you stay so close  
Oh, I still want you, need you, feel you with every  
breath  
Baby, how can I forget

I know your love, I learned it by heart  
I memorized every sweet tender part  
So I can't forget, no matter how hard I try  
And I can't remember why we said goodbye

(Repeat Chorus)

Oh I still want you, need you, feel you with every breath  
Baby How can I forget  
Baby, how can I forget  
No, I can't forget  
Oh, I try but i can't forget  
I just can't forget
