(written by Sonya Isaacs and Keith Sewell)

There's no need to apologize
When you can't find love in another's eyes
There's no wrong in telling me the truth
Loving you too much is my only crime
You spoke your heart but you've broken mine
There's only one thing left for you to do

(Chorus)

Just go before my teardrops hit the floor
Just go if I can't hold you anymore
There's nothing you can say to me
To save me from the cold
(So) Don't try to be my hero
Just go

Why do you look so surprised
There's no easy way to say good-bye
How did you expect my heart to feel
I know it's hard to see it now
But we'll both be better off somehow
And there's one last thing that you can do for me

(Repeat Chorus)

There's nothing you can say to me
To save me from the cold
So don't try to be my hero
Just go
