High school yearbooks on her lap
Snapshot faces take her back
Class rings and strings of broken hearts
A single word of yes or no could've changed her
destiny

What would it be like if she'd a married Mike
Three kids and a dog and be queen of the kitchen
How would it have been if she'd settled for Jim
She'd be battered and bruised on a bunk in a mission
Now she'll never know what happened to Joe
Cold feet when the church bells rang
Where she learned to let it go
And never forget
Her life is her own
And she has no regrets yet

Voted girl most like to succeed
She made her dreams come true
Single and happy in her world
But she would be lying if she said she'd never thought
about

What would it be like if she'd a married Mike
Three kids and a dog and be queen of the kitchen
How much it have been if she'd settled for Jim
She'd be battered and bruised on a bunk bed in a
mission
Now she'll never know what happened to Joe
Cold feet when the church bells rang
Where she learned to let it go
And never forgot
Her life is her own
And she has no regrets yet

Who knows who
Where or when
Only love will stop her wonderin'

What would it be like if she'd a married Mike

Three kids and a dog and be queen of the kitchen
How would it have been if she'd settled for Jim
She'd be battered and bruised on a bunk in a mission
Now she'll never know what happened to Joe
Cold feet when the church bells rang
Where she learned to let it go
And never forget
Her life is her own
And she has no regrets yet

No
No,no,no,no regrets yet
