Simple melody

Spinning 'round
Till I tumble down
All my worries sink into the ground
As I lay here and look up at the Sun-lit trees

There's so many sounds
I don't believe silence can be found
Some would say it's quiet now
But I hear silence and it breaths

Lately
All I wanna do
Is sing
La da la da dee
That's all that I need
Just a simple melody
To set my soul free
For with out it, I can hardly breathe

Happiness has been good to me
But sorrow sets inspiration free
I love to feel
Everything that I can feel

I laugh I cry it's all the same
I love the sunshine, love the rain
As long as I can sing
About a beauty, so surreal

Lately
All I wanna do
Is sing
La da la da dee
That's all that I need
To sing La da la da dee
To set me free
To sing La da la da dee
For with out it, I can hardly breathe
Yes that's all that I need

It's all that I need
