Someone crank this shit and turn this room into a circle
pit.

Go grab a beer, and take a hit to quell your fear.

Tonight is gonna be as much fun as we make it.

The party just started. OH SHIT! I'm already naked.

THIS COULD BE THE BEST NIGHT OF MY LIFE
LET'S GET ANOTHER CASE AND STAY UP ALL FUCKING
NIGHT

Empty cans on the floor.

Someone's head comes crashing through the door.

This party is really getting out of control.

The insides of the fridge are nailed to the wall.

Oh shit - That dude who lives here looks fucking pissed.

PAIN is all my head will feel when I wake up.

I DON'T CARE - So pour me out another fucking cup

THIS COULD BE THE BEST NIGHT OF MY LIFE
Let's get another case and stay up all fucking night.

SOMEONE THREW A BRICK INTO MY TV!

IT WASN'T US - We were all outside smoking trees.

WHERE'S MY PHONE?!?! I'm gonna call the fucking
cops.

FUCK IT! I'm WAY TOO DRUNK - So let's all do another
shot.

The night is ending 'cause the sun is comin' up.

Does anyone have a lighter to spark up these blunts?

The party was TOTALLY INSANE!

I'm gonna pass out in the van.

Tomorrow - Let's do it again.

THIS COULD BE THE BEST NIGHT OF MY LIFE.
LET'S GET ANOTHER CASE AND STAY UP ALL FUCKING
NIGHT.

THIS IS THE BEST NIGHT OF MY LIFE.
