You are dead, you are dead, my dearest
And I breathe, you have left me
You have left me forever more
Never to return and I remain
No, no, if my verses have any power
I will go confidently to the deepest abysses

And having melted the heart of the king of shadows
And having melted the heart of the king of shadows
I will return with you to see the stars again
Or if pitiless fate denies me this
I will remain with you in the company of death

I will remain with you in the company of death
I will remain with you in the company of death
I will remain with you in the company
In the company of death

You are dead, you are dead, my dearest
And I breathe, you have left me
You have left me forever more
Never to return and I remain
No, no, if my verses have any power
I will go confidently to the deepest abysses

And having melted the heart of the king of shadows
And having melted the heart of the king of shadows
I will return with you to see the stars again

Farewell sky
Farewell sun
Farewell earth
Farewell

Farewell sky
Farewell sun
Farewell earth
Farewell

Farewell sky
Farewell sun
Farewell earth

Farewell

Farewell sky
Farewell sun
Farewell earth
Farewell

Farewell
Farewell
Farewell
Farewell
