Villainy has many forms, but none as vile as virtue
The depth of your compassion is as shallow as your
thoughts(2x)

As you claim to embrace the angels
Your intention are too dark to speak(2x)

Like a wolf in sheep's clothing
You pretend to be part of the flock
And somehow you convince us all
That you are something you're not
Those words and actions tear us all down
And you're not content 'til everyone around
Is with you in that hole you've dug for yourself
Die alone in that hole by yourself

This is where I drew the line
Sever all ties
With no regrets(2x)

Villainy has many forms, but none as vile as virtue
The depth of your compassion is as shallow as your
thoughts(2x)

As you claim to embrace the angels
Your intention are too dark to speak(2x)
